### Description

IAPP annual membership opens the door to a community of like-minded professionals and exclusive data protection tools and resources to help you achieve the tall task of “doing privacy right.”

### Member-only resources

Leading-edge reporting and research, flagship reports and surveys (like the Governance Report) and more from IAPP’s online Resource Center. Privacy and data protection job board to advertise your openings or find the next opportunity in your career.

## Community benefits

- Local KnowledgeNet Chapter access to connect with fellow members, both virtually and in-person.
- Virtual networking opportunities through sections, affinity groups and roundtables.

## Discounts & other benefits

- The Certification Maintenance Fee is an IAPP membership benefit, and the purchase of a CMF is not necessary when annual membership is maintained.
- Discounts on trainings and subject-specific curricula.
- Discounts on event registration and merchandise.
- Free live and recorded web conferences.
